# **North Ferriby Emergency Plan**

## **Foreword**

North Ferriby Parish Council has produced this document to provide an invaluable 'catalogue' of information and procedures, with handy points of reference which may be consulted both at the beginning of, and at any time, during the course of a major incident.

This document is issued to key individuals within the Parish of North Ferriby to assist in the recovery from such incidents in the minimum amount of time, with minimum disruption and at minimum cost.

The material contained in this document has been culled from a variety of sources and contributions as to future amendments and additions would be welcome. These should be directed to the Clerk of North Ferriby Parish Council.

It is important that this document is seen solely as an Aide Memoire and not as a 'catch all' compendium. It is a source of considerable assistance, which can help you respond to any major incident.

## **1. Introduction**

The initial response to a major incident should be provided by the police, fire and ambulance services who will call for support and assistance from East Riding of Yorkshire Council as appropriate.

We should be able to act faster than many of the responding organisations, as we have local knowledge contained within this plan that could prove invaluable during the response to a major incident.

## **2. Aim**

Our aim has been to plan properly for foreseeable circumstances and learn lessons from previous incidents whilst adopting a rational and logical decision-making process that will make our plan work. The North Ferriby Parish Council Emergency Committee will monitor and evaluate this plan. If it is not current or it is flawed we will rewrite it.

## **3. Plan Ownership & Document Control**

This is the web version of the plan and all confidential information has been removed. This version should not be used by North Ferriby Parish Council in the event of an emergency. It is available on the website to provide residents with general information.

North Ferriby Parish Council owns this plan and its contents and it is their responsibility to ensure that it is accurate and up to date. North Ferriby Parish Council will review this plan at least once a year.

## SECTION 1: ACTIVATION

### When the Plan Will be Activated

This Plan will be activated when at least **two members** of North Ferriby Parish Council **Emergency Committee** consider it necessary to take action in response to an incident, and when action cannot be taken effectively without triggering the arrangements outlined in this document.

### Responsibility for Activating the Plan

Any two of the following people can activate the Emergency Plan:

- Chairman and Vice Chairman of North Ferriby Parish Council
- Members of the Emergency Committee and Clerk to the Council

### How the Plan Will be Activated

This Plan will be activated when two of the persons from the above lists decide that the plan should be triggered and begin to follow the action checklist in Section 3

## **SECTION 2: PRE-PLANNING TO AID THE RESPONSE**

### **EMERGENCY TEAM**

In the event of the plan being triggered the Emergency Committee members of the Parish Council have agreed to form part of the Emergency Team who will help to mitigate the effects on the community. The names and contact details are contained in the first table in Section 6.

### **INCIDENT ROOM**

If an emergency team is brought together, it has been agreed that they will meet in one of the following locations:

1. The Village Hall – (Committee Room)
2. At the property of one of the Emergency Team members listed in Section 2
3. The Parish Hall
4. The Duke of Cumberland Public House

### **EMERGENCY BOX**

An Emergency Box is held at the Village Hall and the Parish Hall which contains:

1. A copy of this plan
2. A laminated street map of the area
3. Pen and paper
4. The register of electors
5. Windup/battery operated radio
6. Wind up/battery operated torch
7. First Aid case
8. Hazard Tape and Scissors
9. 4 way USB plug
10. Whistle
11. High Vis Jackets x3
12. Map of the wider region
13. Matches
14. Candles

## SECTION 3: EMERGENCY TEAM ACTION CHECKLIST

### ACTION CHECKLIST

- **IN AN EMERGENCY DIAL 999.** Follow the Emergency Services advice at all times, and always be aware of your own safety and the safety of those around you.
  
- Gather as much information about the situation as possible eg
  - The location of the emergency.
  - Type of incident.
  - Number of people and/or properties involved.
  - The type of support that might be needed (eg moving items upstairs, providing immediate shelter, basic household tasks).
  - Tune into your local radio station for updates BBC Radio Humberside (95.9 FM) or Viking FM (96.9 FM)
  - Make contact with the representatives of any responding organisations at the scene.
  
- Identify which location for an incident room will be most effective and gather the Parish Council Emergency Team in the pre-identified incident room (see section 2)
  
- Use the standard agenda to run the meeting. Circulate the Response Aim and Objectives so people know what you are trying to achieve (both contained in Appendix 1)
  
- Make contact with the Emergency Services/East Riding of Yorkshire Council if they are involved in the incident, and tell them that you have activated your emergency plan.
  
- Decide which local resources should be mobilised to support the community.
  
- Arrange for contact to be made with the vulnerable members of the community identified in Section 5 as appropriate and arrange for advice / assistance to be offered. You may wish to give this task to one person within the Emergency Team to co-ordinate
  
- Arrange for the community resources/organisations identified in Section 4 to be made available as necessary. You may wish to give this task to one person within the Emergency Team to co-ordinate
  
- Consider asking for additional members of the community (volunteers) to help with the response. You may wish to give this task to one person within the Emergency Team to co-ordinate

- The East Riding of Yorkshire Council may be sending update emails to the Emergency Team members. Agree who is going to keep checking their email account and keep monitoring the ERYC website.
- Inform the community that their Emergency Team is active and functioning and if appropriate maintain a presence in the area(s) affected
- Help communicate any warning information messages, and recommend that people tune into the local radio station.
- Decide whether you will offer residents a key number to contact during the emergency.
- Establish contact with neighbouring town and parish councils and ask for / offer support if appropriate.
- Consider what actions are needed to protect livestock and pets
- Ensure that any members of the community engaged in the response are not putting themselves at risk. Make sure they are acting lawfully (eg not speeding), carefully and are not carrying out tasks and activities that they are not qualified to do.
- When the immediate risk of the emergency has passed consider what role the Parish Council can play in helping the community recovery. Continue the meetings on the Emergency Team, using the Recovery Aim and Objective document in Appendix 2.
- Specific actions relating to due to Flooding contained in Appendix 3
- Specific actions relating to Snow Clearance contained in Appendix 4
- General information about Multi Agency Response to a Major Incident contained in Appendix 5

## SECTION 7: PLAN PUBLICATION

### PLAN PUBLICATION

Electronic copies of this plan have been e-mailed to:

- East Riding of Yorkshire Council Principal Emergency Planning Officer  
Alan Bravey
- The original electronic version of this plan is kept at 22 The Triangle, North Ferriby, HU14 3AT c/o the Parish Clerk – **Telephone 631822**

Hard copies of this plan are kept by all members of the North Ferriby Parish Council Emergency Committee and those on a list of individuals as agreed by the Parish Council, and in the Emergency Boxes

A web version of the plan **with confidential information removed** will be posted on the North Ferriby Parish Website for public information once the content of this plan is approved by the Parish Council

## SECTION 8: PLAN MAINTENANCE

### **Plan Maintenance Roles and Responsibilities**

- North Ferriby Parish Council is responsible for making sure the plan complies with Data Protection and all other appropriate legislation.
- North Ferriby Parish Council should make sure that all the people who are involved in the plan aware of their role, and know that that they might be contacted during an emergency.
- The plan will be reviewed at least once a year. During the review every section of the plan should be checked for accuracy (telephone numbers, resource lists etc.) North Ferriby Parish Council will have responsibility for reviewing the Emergency Plan.
- Any updates to the plan, or lessons that have been learned from exercises, should be approved by North Ferriby Parish Council before the plan is changed.

## Appendix 1

### **Aim and Objectives of the Community's Emergency Response**

#### Aim

- To lessen the effects of the emergency

#### Objectives

- To work effectively with multi agency responders
- To use community resources to limit the impact of the emergency on
  - People
  - Property
  - Local Businesses
  - Environment
  - Heritage
- To help vulnerable members of the community
- To engage the resources available from the community and voluntary sector and businesses
- To provide residents with warnings and messages throughout the emergency
- To communicate effectively with all Parish Councillors and Ward Councillors during the emergency
- To ensure health and safety of Parish Council personnel and community responders
- To keep records of the actions taken and decision made during the emergency
- To support residents and businesses to recovery from the emergency

## Appendix 2

### **Aim and Objectives of the Community's Recovery Response**

#### Aim

- To help people help themselves to recover from an emergency

#### Objectives

- People:
  - are protected from immediate risks to health and safety and have access to appropriate shelter, basic resources and essential services.
  - feel that their home and property are safe and secure during recovery
  - have access to the information they need to make their own decisions about how they react to the situation
  - know how to access the services that are available to them.
- Essential services, infrastructure and transport networks are brought back into use as soon as practicable.
- Communities are fully involved in the recovery process and are able to take decisions on issues that affect them.
- Businesses have access to their premises and know how to access support available to them.
- Community resources and organisations are providing practical support as appropriate.
- Recovery is well co-ordinated between all responding organisations.

## Appendix 3

### **Generic Flooding Public Advice**

- Put any flood protection products they have into place
- Move cars to a higher ground
- Make sure any valuable or sentimental items and important documents are safe.
- Empty out furniture drawers and cupboards. Place the contents and any furniture you can upstairs. Fasten plastic bags around the legs of wooden furniture to help minimise absorption of water
- Be prepared to turn off mains gas and electricity
- Be prepared to evacuate if necessary
  - Grab 'Go bag' and check contents
  - Turn off electricity, gas and water supplies and unplug appliances
  - Take their mobile phone and charger
  - Take some spare clothes
  - Take prescribed medication with them
  - Take cash and credit cards
  - Lock all doors and windows
  - If they leave by car, take bottled water; a duvet or blanket and tune into the local radio for emergency advice and instructions
- Put plugs in sinks and weigh them down to prevent backflow from the drains. Weigh down the toilet seat too.
- Bring caged outdoor pets inside, move all pets with food, water, bedding and litter tray upstairs
- Always wash their hands/arm/legs with hot water and soap after coming into contact with floodwater
- Keep contaminated footwear and clothing away from children
- Never allow children to play in floodwater, as well as the risk of disease manhole covers may have dislodged under the pressure of floodwater creating a drowning risk

### **Flooding Contact Numbers – contained in Section 6**

- Environment Agency Floodline operates 24 hours a day, seven days a week, and can provide immediate practical advice on flood risk and what to do before, during and after a flood.
- East Riding of Yorkshire Council is responsible for the drains that remove surface water from the highway. In the event of significant highway flooding, ERYC works with other bodies to provide an emergency response, such as the provision of sandbags. The Highways Department can be reached through the ERYC switchboard
- Yorkshire Water is usually responsible for sewer drains in the roads and blocked sewers

Specific details for Ferriby have been removed from this public version of the plan.

## Appendix 4

### **SNOW CLEARANCE**

The Emergency Committee will, if appropriate, recommend activation of the Parish Emergency Plan if weather related disruption results in people being unable to leave their homes for the collection of food, prescriptions and other essential items; or being without water due to frozen or burst pipes, or being without electricity or gas because of utility disruptions. Regular checks will be made on the most vulnerable members of the community, and assistance made available to those people who may have become isolated.

The next section has been removed from this public version of the plan
