

1918-2018 World War One Paint a Poppy Stone Commemoration

Ferriby Remembers

Over the weekend of 10th and 11th November, North Ferriby is commemorating 100 years since the end of World War 1. The Villagers at War Exhibition is taking place in the Village Hall and 1000's of hand knitted poppies will be on display in and around All Saints' Church

We are contacting schools and other groups in the East Riding to see if the children would like to join in and

Paint a Poppy on a Stone

We plan for the stones to be laid at the base of North Ferriby's War Memorial in the week before Sunday 11th November with the hope that the base of the War Memorial will be covered by a sea of poppies and will be seen by everyone taking part in the Remembrance Parade
